Daniel King : How to Win At Chess before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Win At Chess:

1 of 1 people found the following review helpful. 8 cent chess book almost slayed me!By Benjamin G. McGrew Jr.I bought this book for my grandson who is developing a keen interest in chess. He loved the book and devoured it in short order. He then proceeded to nearly "whomp" me in a real game!Ben McGrew0 of 0 people found the following review helpful. Win at ChessBy Jean A PinnellCould be better written to help one starting the adventure of learning

chess procedures. Would recommend that a buyer look further. 0 of 1 people found the following review helpful. How to Win at Chess By Robert M. Rieves Great book, but bought through an partner who charged \$3.99 per each book for postage on my order of 4 books. does not do this itself, why do they allow others do do so??????????

If you are one of the thousands of players who understand the rules of chess, but would like to take their game beyond the elementary stage, then this is the book for you. Channel 4 television commentator Daniel King has devised a series of 'golden ruies' to enable novice players to improve their game. How to Win at Chess will put you on the path to better results and greater enjoyment of your own games.

From the Back Cover If you are one of the thousands of players who understand the rules of chess, but would like to take their game beyond the elementary stage, then this is the book for you. Channel 4 television commentator Daniel King has devised a series of 'golden rules' to enable novice players to improve their game. 'How to Win at Chess' will put you on the path to better results and greater enjoyment of your own games. Outside the chess commentary box, Grandmaster Daniel King is an international player, chess trainer and regular columnist in 'CHESS Monthly' magazine. He is also the author 'How Good is Your Chess?' and 'World Chess Championship' (with Donald Trelford). (5 11/16' X 8 14/", 127 pages, illustrations)
