Richard L. Frey : How to Win at Contract Bridge before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Win at Contract Bridge:

0 of 0 people found the following review helpful. Update to an old standard By R. Morss Always found this book to be

clear and concise. Explanations as to "why" you bid this way or that. Beginners to experienced will derive some level info from this book. As for the "experts" they are already writing the 1000s of other books. This is the best foundation book I've read. There are a few errors in this addition, but they're obvious. P.S.: Play of the Hand by Watson is also back in print. Considered by some to be the "bible" of bridge play. 3 of 3 people found the following review helpful. Ideal For Starters By A Customer Beautiful explanation of hand valuation which has helped me atleast attain a thorough grounding of basic bridge principles. It is 2-3 years after reading this book, while playing serious bridge, that one realises the mark it is left. 1 of 1 people found the following review helpful. Great Book By John J. Schoen This book is so good that when I find a copy I buy it and give it to a friend

Revised, Expanded, And Completely Updated Includes: Latest Official Laws Changes How To Play "5-Card Majors" New Goren Point Count Valuation New Two-bids: Strong And Weak Quizzes After Each Lesson Chicago (4-deal) And Party Bridge

"No one can read this book and fail to learn fast how to play a better game of bridge." --Charles Goren "As this book so clearly shows, Dick Frey is superb both as bridge player and bridge writer." --Alan Truscott, Bridge Editor, The New York Times From the Inside Flap Revised, Expanded, And Completely Updated Includes: Latest Official Laws Changes How To Play "5-Card Majors" New Goren Point Count Valuation New Two-bids: Strong And Weak Quizzes After Each Lesson Chicago (4-deal) And Party Bridge From the Back Cover "No one can read this book and fail to learn fast how to play a better game of bridge." --Charles Goren "As this book so clearly shows, Dick Frey is superb both as bridge player and bridge writer." --Alan Truscott, Bridge Editor, The New York Times
