Tom McEvoy, Don Vines : How to Win No-Limit Hold'em Tournaments before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Win No-Limit Hold'em Tournaments:

2 of 2 people found the following review helpful. If you don't read this book you are missing the boat!By allenIn the introduction (pg 17) they say "we'll provide you all the information, tips, and tools you need to become a no-limit hold'em tournament champion. The strategies and insider knowledge you'll find in these pages have helped us win

countless trophies and millions of dollars." I took this book to a tournament recently, just to kind of brush up my game a little, and i believe it was one of the best decisions I have made in a long time. I did come out of the tournament a winner. You have to have a feel for the game and this book is "a guide to winning no-limit hold'em tournaments" and I am very happy I purchased it because it has helped my game more than I can tell you. I would recommend this book to any player that seriously wants to win at Texas hold'em Tournaments. 1 of 1 people found the following review helpful. no limit hold em By Michael Niccum Its a good book, good quality, good price, it is all I wanted. It got here fast also. It's a training book, not a story book. 17 of 19 people found the following review helpful. Easily the most pathetic poker book I have ever read!!! By Russell Hull Of the 10-15 poker books I have purchased, this is easily the biggest waste of money. The practice questions were fit for a 3rd grader and I can honestly say I learned less than nothing. I take that back, I learned that I know a little about poker already. Save your money, purchase dan harringtons books instead.

World champion poker players demonstrate the winning strategies for the hottest poker game. The 2004 World Series of Poker awarded more than \$30 million in prize money, the biggest prize of any sporting event, with the first place winner receiving \$5 million! That, for a mere investment of \$10,000. This is the first-ever instructional book devoted entirely to showing players how to win no-limit hold'em tournaments as nationally televised on ESPN and the Travel Channel and watched by millions each week. Readers learn the basic concepts of tournament strategy, plus: how to win big by playing small buy-in events, how to graduate and adjust to medium and big buy-in tournaments, how to adjust for short fields, huge fields, different time periods (slow and fast-action events), how to win online no-limit tournaments, how to manage a tournament bankroll, all the basic and advanced betting and positional strategies, and tips on table demeanor for televised tournaments. The authors also show actual hands played by finalists at the WSOP and the WPT championship tables with card pictures, analysis and useful lessons from the play.

About the Author Don Vines is a professional tournament poker player specializing in no-limit hold'em medium buy-in events. He has won more than 40 championship titles. Tom McEvoy, the 1983 World Champion of Poker, has won millions of dollars playing no-limit and pot-limit hold'em in cash games and major tournaments around the world. He is the author of *Tournament Poker*, and co-author of 10 other books including *Championship No-Limit Pot-Limit Hold'em*, *Beat Texas Hold'em*, and *Championship Hold'em*.
