Albert H. Morehead, Geoffrey Mott-Smith : Hoyle's Rules of Games: Second Revised Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Hoyle's Rules of Games: Second Revised Edition:

0 of 0 people found the following review helpful. Such a good game under either name (can't remember the current one)
By Sharon Guthrie We have an older version and I often refer to it to remind me of rules of games. Sometimes I have found that an older game such as one I played with the grandmother (Spite and Malice) now has a new name and is in box form which I have played with a granddaughter. Such a good game under either name (can't remember the current one, sorry)! When I played with my grandmother, all we needed was a couple decks of cards. Now it comes in a game box and, of course, there is a price tag on it. Still, it is reasonable and I highly recommend it for all ages. Our granddaughter was nine or ten when I introduced it to her and she picked up on it immediately. Note, she is a games enthusiastic.
3 of 3 people found the following review helpful. Disappointed
By Jeff Powell I wanted to teach my young son how to play several of my favorite card games. Unfortunately, several of them (mostly versions of rummy) weren't covered in this book. I guess some card games aren't as popular as they once were. I can't really recommend it, particularly the Kindle version (you can't get back to the table of contents from the text without going back to the beginning of the book.)
2 of 2 people found the following review helpful. Good Reference but I expected better.
By A. Rafe Nice overview of many games, but I expected something more comprehensive. Example: some Rummy games that I played years ago are not in here, or I can't find them. An index would be nice.
