From Adventure Publications : Hummingbirds Playing Cards (Nature's Wild Cards) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hummingbirds Playing Cards (Nature's Wild Cards):

This gorgeous deck of playing cards, put together by award-winning nature photographer Stan Tekiela, features 54 striking photographs of North America's hummingbirds, including the Ruby-throated, Black-chinned and Rufous hummingbirds. Anyone who appreciates birds will love having these cards for playing their favorite games.

About the Author Naturalist, wildlife photographer and writer Stan Tekiela is the author of more than 175 field guides, nature books, childrens books, wildlife audio CDs, puzzles and playing cards, presenting many species of birds, mammals, reptiles, amphibians, trees, wildflowers and cacti in the United States. With a Bachelor of Science degree in Natural History from the University of Minnesota and as an active professional naturalist for more than 25 years, Stan studies and photographs wildlife throughout the United States and Canada. He has received various national and regional awards for his books and photographs. Also a well-known columnist and radio personality, his syndicated column appears in more than 25 newspapers and his wildlife programs are broadcast on a number of Midwest radio stations.
