Mike Czuba : I Am I before purchasing it in order to gage whether or not it would be worth my time, and all praised I Am I:

Synopsis: Man #1 and Man #2 are locked in a life long struggle between wants and needs, the rational and the desired, never fully understanding that they cannot exist without each other. Man #1 wants to quietly merge into the traffic of

everyday life while Man #2 wants to cut a new path through the wilderness. This battle of ideals comes to a head with the introduction of Sonya, the latest object of interest and the metaphor for all that came before. I AM I exposes the inner workings of a dark heart and an over-worked mind, shattering any idea of a fourth wall, creating a visceral, funny and painfully honest meta-theatrical journey. Cast Size: 2 Males, 1 Female "a funny, sad, and at times, devastatingly truthful show."- The Concordian, Montreal "It is a laughably true-to life portrait of insecurity even as it is heartbreaking."- Rover Arts "Ever sit in a theater and get so involved in a show that you feel like an integral part of the cast? I AM I is one such show."- The Charlebois Post
