I wish a few of the pages had been in color since her coloring skills fluctuate on her mood, but still she has enjoyed it!1 of 1 people found the following review helpful. Fun bookBy BookloverMy younger granddaughter is very fond of ballet right now and she has enjoyed this coloring book very much. It arrived quickly and in good condition, too.0 of 0 people found the following review helpful. Great book!By sflemingMy 4 year old loves this coloring book! The stickers are nice!

Color exciting scenes of talented Catie and her friends at ballet school where they're practicing new dance positions,

leaps, and pirouettes for a recital. Or, use the 26 sticker illustrations included in the book to create your very own ballet scenes. The stickers also work well on notebooks, windows, mirrors and other flat surfaces.
