David Quinlan : Illustrated Encyclopedia of Movie Character Actors before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrated Encyclopedia of Movie Character Actors:

2 of 2 people found the following review helpful. very fun book if you like old character actors from film ...By Ben Harpervery fun book if you like old character actors from film and television, as i do. so sad to see how many people in this book are now gone, not surprising since it was published in 1985! whoa! lots of fun for movie fans! highly recommended!4 of 4 people found the following review helpful. I RECOGNIZE THAT PERSON!By Joe BlairBetter than I expected. A good reference book for my library. I learned the names of many familiar faces.5 of 5 people found the following review helpful. Very, very good.By Appalachian SonFilm and television credits are tops; pics represent typical characterizations, career descriptions don't waste any words. This is a buy.

. A complete reference to the careers of 850 great character actors. Each entry includes a black white photograph of the actor usually from a well known movie, a description of the actor's career and the type of role he or she specialized in and a list of feature films and TV movies the actor appeared in.
