**John Lennon : Imagine: Level 5 - Intermediate Showcase Solos Pop Sheet** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Imagine: Level 5 - Intermediate Showcase Solos Pop Sheet:

2 of 2 people found the following review helpful. ug, nothing i expected By j. h. i was soooo disappointed in this piece!!! i looove the song imagine, and i have heard many others play this piece. this should not be a level intermediate. it should definately be beginner. it is super easy, and so much more could be given to this piece. this arrangement butchered it.

John Lennon's soulful plea for peace throughout the world, graciously arranged by Mona Rejino for the intermediate piano student. This gorgeous song will most certainly be on every adult student's Top-Ten List, and is a perfect introduction to Lennon's genial songwriting talents for younger students. 4/4; syncopated pedaling; straightforward

melody and accompaniment; 1st 2nd endings; syncopation. 39 measures.
