Because is beautiful!! the paper quality is great, the pressing and printing is nice, the content is really complete (covers lennon's childhood til a bit after his death), the pictures are carefully selected... it's quite big so the pictures seems to talk you (like that one that was the cover of "Lennon Collection" that was taken on 12.08.80 and is at the beginning of this book). - Yes, it is an official release, so JL looks a bit of "too good to be true", but it's still a book you should have... if you find it used is a bargain (it has it's original price 39.99 in 1988)-1 of 1 people found the following review helpful. Five Stars By Carol L. Hyland Love seeing and hearing him talk and sing. 0 of 0 people found the following review helpful. Excellent John Lennon's Video!!! By Miwa I love this video!!! I cried every time when I watched this John Lennon's video. This video tells about his life and personality very well and well organized his history. I do love this video. I will watch it over and over again!!! We should not forget about John Lennon and Beatles forever. Just buy it, and then, you will get peace and love from John.:)

Author, John Lennon. Out of Print sheet music. Text - Clean and Tight - No Mark. Covers Very Good ++. Book has a

little age discoloration - otherwise perfect. A very nice 37 year old book of music.
