Nice pictures for adult/teen coloring.By Kim KarasI purchased this book for myself, I color for relaxation and practice multiple types of art therapy. This is a nice book, the images each have their own page so you don't have to choose either/or if you are wanting to hang up a piece when you are done with it. There are a nice blend of simple and more intricate detailed pictures. I was drawn to the fact that many of the

women do not have faces. It's a nice alteration of the mandala designs that I often do. 0 of 0 people found the following review helpful. Five Stars By Mikey's huney Love! Love! Love!
