**Edie Gaines : Inspirational Cryptograms, Vol. 4** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inspirational Cryptograms, Vol. 4:

1 of 1 people found the following review helpful. ... found the hints necessary at times when needed I like the size of the book and the print sizeBy Jeannette McCorkleI found the hints necessary at times when needed I like the size of the book and the print size.1 of 1 people found the following review helpful. Five StarsBy F. SchmitzWife loves it.2 of 2 people found the following review helpful. Same great funBy Nancy c.I really enjoy these by Edie Gaines. The large

print is a plus. I would recommend to anyone for relaxation and trying to keep your mind sharp.

Large print, Inspirational Cryptograms Vol.4 is part of a series and a continued collection of inspiring and motivational quotes. You'll find thought provoking and humorous quotes about life, in general, for your decoding pleasure. Cryptograms are a great exercise for the mind. Both pattern recognition and linear thought are necessary in code breaking. This is an excellent exercise to train the mind to think using both halves of the brain. The print type is LARGE and the letters well spaced, making the puzzles pleasing to work and easy on the eyes. Solving cryptograms relies on trial and error. Get those pencils sharpened and the erasers handy as you begin solving these cryptogram puzzle books.

About the Author From the Author Great care was taken in formatting the book(s) as well as selecting the quotes to be encrypted. ~ I sought meaningful, thought provoking and some humorous quotes for your decoding pleasure. ~ I reviewed other book reviews and tried to incorporate those suggestions into formatting my books: The print type is large, there is sufficient spacing of the letters and I double spaced within the puzzles so there is adequate room to write your answers. Also, a line separates each puzzle so that each puzzle on the page is contained. I hope you enjoy the books. Edie Gaines lives in Saugerties with her family and husband, Fred. She has enjoyed doing cryptograms for many years and was inspired to turn a hobby into a venture. She has published 4 previous books: The 1st book she published was Inspirational Cryptograms. It is available at: [wwwcreatespace.com/3564509](http://wwwcreatespace.com/3564509). The 2nd book Political Cryptograms of the 60's 70's is intended to appeal to those with an historical or political interest. It is available at: [wwwcreatespace.com/3558992](http://wwwcreatespace.com/3558992). The 3rd book is Inspirational Cryptograms (Vol.2). It is available at [wwwcreatespace.com/3666400](http://wwwcreatespace.com/3666400). The 4th book is Inspirational Cryptograms Vol. 3 It is available at: [wwwcreatespace.com/4054734](http://wwwcreatespace.com/4054734)
