Philip Carter : IQ and Aptitude Tests: Assess Your Verbal, Numerical and Spatial Reasoning Skills (Careers Testing) before purchasing it in order to gauge whether or not it would be worth my time, and all praised IQ and

Aptitude Tests: Assess Your Verbal, Numerical and Spatial Reasoning Skills (Careers Testing):

4 of 4 people found the following review helpful. DismemberedBy SteveThe Kindle edition is defective. Spatial items are split with each half on a different page. The printed edition is worth the price5 of 6 people found the following review helpful. A strong pick for those who seek to be prepared for their next test that mattersBy Midwest Book ReviewPractice makes perfect, and expanding your potential is no different. "IQ and Aptitude Tests" is a collection of IQ and aptitude practice tests designed by Philip Cater to help readers gain a more complete and effective understanding of IQ tests and how to better understand and perform on them. Verbal, mathematical, and reasoning skills are all discussed effectively, and make "IQ and Aptitude Tests" a strong pick for those who seek to be prepared for their next test that matters.1 of 7 people found the following review helpful. Too Complicated for our EmployeesBy Bj NashWe don't think it will be able to be used by candidates to our business. It is too complex for us and the items that we sell in order to stay in business..

"Verbal, mathematical, and reasoning skills are all discussed effectively, and make "IQ and Aptitude Tests" a strong pick for those who seek to be prepared for their next test that matters." --Midwest Book
