Cyril Watters : It's Easy to Play Beatles before purchasing it in order to gage whether or not it would be worth my time, and all praised It's Easy to Play Beatles:

0 of 0 people found the following review helpful. used and a bit moreBy Rosine S.I know I bought a used book, but I did not expect to see that all the notes in several songs had been lettered in, and not even in pencil. the pen marks even went over the chords and scratched them out.0 of 0 people found the following review helpful. My parents stand amazed!By sena@kilich.comMy parents were amazed that I could play Beatles' songs (with very minor mistakes) three weeks after they bought the piano! The notes are easy and I could even play these piano notes on the flute which drove everyone off the top! I recommend this book to anyone and everyone from complete beginners to experts.

Book by Watters, Cyril
