**Jan Pinski : Italian Game Evans Gambit** before purchasing it in order to gage whether or not it would be worth my time, and all praised Italian Game Evans Gambit:

0 of 0 people found the following review helpful. Good readBy Garry WilliamsExcellent0 of 0 people found the following review helpful. I especially liked the coverage of 6)e5 in the Italian GameBy Stephen WhyteThis is a decent overview. I especially liked the coverage of 6)e5 in the Italian Game.1 of 2 people found the following review helpful. Good bookBy JamieThis book is everything you need for the Italian game and Evans gambit. Not recommended for

any beginner for this book goes very deep with many different variations that I found exhausting. If you are serious about playing the Italian game and just love this opening for double king pawn give this book a try.

The Italian Game (sometimes referred to as the Giuoco Piano) is one of the oldest openings around, and also one of the first lines players learn when they are introduced to chess. It leads to play that is easy to understand: both sides develop their pieces logically and begin attacks on the opposing kings. The Italian Game gives both White and Black the opportunity to play either aggressively and in gambit fashion, or in a restrained and positional manner. One of White's most exciting and attacking options is the legendary Evans Gambit, which has been brought back into the limelight in this modern era by such uncompromising players as World number one Garry Kasparov, Alexander Morozevich, and England's Nigel Short. In this book, openings expert Jan Pinski investigates the different strategies and tactics in the Italian Game and Evans Gambit. Using model games for both White and Black, Pinski provides crucial coverage of both the main lines and offbeat variations. This book arms readers with enough knowledge to play the Italian Game and Evans Gambit with confidence. Written by a well-known opening theoretician. A useful guide for club and tournament players alike. All main lines are covered.
