Richard Starkings : J. Scott Campbell: Time Capsule before purchasing it in order to gauge whether or not it would be worth my time, and all praised J. Scott Campbell: Time Capsule:

0 of 0 people found the following review helpful. Five Stars By kevin sLove Cambell's work! Great journey through his carrier so far! 1 of 1 people found the following review helpful. It's about J. Scott Campbell By Walter Stoneburner Features a good number of works by J. Scott Campbell. Love the art work, but be aware this is less a book about the art than it is the story of the man. Still well written, though, and entertaining as well. Done in interview style mostly. 0 of 0 people found the following review helpful. Great artwork, awesome book! By Graciexpiel love all things J. Scott Campbell. This was a great addition to my collection of his works. He is so talented and this is a great compilation of his artwork through the ages and shows how his style has developed and evolved.

In 2004, Richard Starkings spent Election Day with fan-favorite artist J. Scott Campbell talking about his first ten years in comics. Richly illustrated with black and white art from Campbell's files, the conversation covers Gen 13, Danger Girl, Wildsiderz, and triggered his association with Spider-Man. Also features a 16-page color section.
