**Jack Watson : Jack Watson's Complete Guide to Creating Black and White Female Glamour Images - From Nudes to Fashion** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jack Watson's Complete Guide to Creating Black and White Female Glamour Images - From Nudes to Fashion:

0 of 0 people found the following review helpful. Don't Bother.By PMDStudioscomplete waste of money. Nothing to do with photography, all about 'converting' images to b/w in photoshop. Digital, not for film 'togs working with b/w film.1 of 1 people found the following review helpful. Amazing book with breathtaking images and instructions for making your ownBy BJThis is the perfect coffee table book, filled with classy and glamorous black and white photos, as well as full color shots that teach you how to make your own amazing black and white images, plus some great

tutorials on general photo editing and Photoshop skills, excellent addition to any photographer's library0 of 2 people found the following review helpful. Two StarsBy RussSounds like a book sale, not much useful information, nice photos.

Award-winning photographer Jack Watson has crafted a unique book dedicated to female glamour images created in black and white to honor the famous Hollywood stills photographers of the 1920s and 30s. With the help of a large collection of stunning glamour models who have been featured globally in many print, web, and video media including Playboy Enterprises™, Watson shows you how he creates sensuous, seductive glamour black and white images out of virtually any color glamour photograph. Dispelling the myth that not all color images make good black and white images, this book illustrates how virtually any glamour photo can be crafted to recreate the looks of the Hollywood masters. Jack Watson's Complete Guide to Creating Black and White Female Glamour Images includes a CD with every photo in the book. All of the black and white photos started out as color digital files. They have been provided in their original, high-resolution, color form for your non-commercial use. This book is for those who have some basic Photoshop skills and want to broaden their horizons and experiment with additional plug-ins and software such as Nik Color Efex Pro Complete, Nik Silver Efex Pro, Topaz Adjust, and Topaz BW Effects. It's also for anyone who just loves looking at beautiful black and white female glamour images. While most of the images in the book are sexy in nature, a number of examples show how sexy is not always the naked truth, but quite the contrary. Clothed or nude, the female form is a thing of beauty. At the very least, this book will make you rethink what is truly glamorous. Creating black and white glamour photos will help you see with your brain and feel with your heart. Remember it's not what you see in a photograph that moves you; it's what you don't see. So, boot up your computer, open your favorite photo software, put the CD in the drive, and create some magic.

About the AuthorJack Watson is a critically acclaimed author, photographer, producer, and film maker. He is a retired international airline Captain with over 30,000 hours flight time, 40-plus years aviation experience, and qualification in over one hundred aircraft. Tapping into his almost encyclopedic knowledge of aviation, Watson's latest novel DRONE WARRIOR is a high-flying military-techno-thriller. The 100,000-word action-filled, page-turning literary roller coaster ride is the first in a three book series and introduces key characters for the trilogy including drone prodigy James Barlow. In addition to Watson's writing talents he has over 30 years experience in the visual arts. His books, photos, short stories and columns have been viewed and read world wide. His works have also appeared in such publications as Playboy.com, Flight, Plane and Pilot, Sport Aviation, Trade-a-Plane, Movie Maker Magazine, Guitar World Magazine, to name a few.
