**Roger Long : Javanese Shadow Theatre (Theater and dramatic studies)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Javanese Shadow Theatre (Theater and dramatic studies):

1 of 1 people found the following review helpful. this is a great technical bookBy Jerry L BickelFor the advanced puppeteer- This is an excellent master class in how to perform with traditional Indonesian puppets in the traditional style. I plan on using this book to school myself in puppet technique as I prepare my performance of "Hanuman".
