**Sony : Jeopardy! 2017 Day-to-Day Calendar** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jeopardy! 2017 Day-to-Day Calendar:

Daily test of general knowledgeBy TampadocMy wife and I find the daily questions a pleasant way to participate in a non-strenuous, slightly intellectual competition. The only problem is - she plays for keeps and for 2016 is ahead in the weekly totals 26-22 with only 4 weeks to go. I must win each of the last 4 weeks just to tie. If you enjoy Jeopardy, who doesn't?, this is a terrific daily calendar which we have purchased for at least 5 years.0 of 0 people found the following review helpful. A few suggestions for a good productBy TessllEvery year we purchase one of these day to day calendars because we are big J! fans, but there is need for improvement. If they would hide the question better on the reverse side so you cannot read it through the paper would help. And they seem to be "dumbing down" as the year progresses. I am a senior citizen and hope for a little challenge but many days the answers are almost insulting they are so obvious. We will continue to buy one every year because it's a great concept and we do enjoy this product. My husband and I keep tabs and also watch J! on tv daily.1 of 1 people found the following review helpful. Nice Page-A-Day CalendarBy Marjie, Mother of 9Fun way to start the day, and it makes it easy to keep track of the date. This is the fourth year I've bought this page-a-day calendar. Questions fall in all kinds of categories, so it's fun to ask the questions of the whole family at

once, and see who knows what! Unlike some page-a-day calendars, there are separate questions for Saturday and Sunday, as opposed to one page for both days.

With over twenty-five million viewers tuning in each week, JEOPARDY! is clearly the No. 1-rated quiz show in syndication. Like the show, the JEOPARDY! 2017 Day-To-Day Calendar also has a unique question and answer format. Each week features JEOPARDY! and Double JEOPARDY! categories with assigned dollar amounts and a Final JEOPARDY! round where players can wager all or part of their winnings. The answer is printed on the front of each page and the correct question is printed on the back.
