The first two years I had "shoes" I like the jewelry one just as much.0 of 0 people found the following review helpful. This is a very nice calendar if you like jewelryBy Martine MoriartyThis is a very nice calendar if you like jewelry. A nice mixture of ancient, older, and modern designs. Great photographs. I've been buying this same calender in the Cat variety for years.1 of 1 people found the following review helpful. Great gift for jewelry loversBy ArleneGreat gift for jewelry lovers. See something new and fabulous every day for a year. Very unique with great photos.

Jewelry is the best gift for the jewelry lover: day after day of stunning necklaces, rings, brooches, and earrings, all

gorgeously photographed and reproduced in full color. Displaying an exquisite variety of antique and contemporary pieces gilded, intricately carved, studded with precious and semiprecious stones, it's a tribute to artistry, creativity, the valuable, and the rare. The cover features a specially commissioned shot of contemporary and vintage bracelets from Fred Leighton (retail value: \$203,000).
