Still beautiful.By Lisa BeeMaybe I expected a larger book, but the art in the book was beautiful and did follow along the time line of the movie. A lot of art dedicated towards the Goblins, creatures and Sarah. I was disappointed with the lack of art for Jareth though. As it is a tribute I would have expected more Jareth as he did simultaneously popped up through the story of the movie. Unfortunately we only had a few, but very beautiful, pieces that showed him.The tribute was beautiful but for the price I expected more artwork. It does make a nice piece for my faerie and Labyrinth collection I have.0 of 0 people found the following review helpful. Five StarsBy Denise WeaverAMAZING IN EVERY WAY!! ABSOLUTELY LOVE
