#File Name: 079352465240 pages Movement enhances even the simplest of musical settings It can bring energy to a dynamic show choir number or simple elegance to a beautiful concert piece without your choir ever leaving the risers! John Jacobson's ideas for staging and choreography on choral risers have been compiled in this easy-to-use resource for the beginning or veteran choral director Covering basic formations, visual effects, and simple gestures that enhance the lyrics, this practical guide will help you incorporate all kinds of staging into your performance John Jacobson's Riser Choreography Movement enhances even the simplest of musical settings | File size: 61.Mb

**Jacobson John : John Jacobson's Riser Choreography (a Director's Guide for Enhancing Choral Performances)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised John Jacobson's Riser Choreography (a Director's Guide for Enhancing Choral Performances):

1 of 1 people found the following review helpful. John Jacobson's Riser ChoreographyBy CustomerI got this book because I have been assigned to work with our male chorus to help them become more expressive and improve our visual entertainment. I only found a couple of books that I thought would apply. This one was very elementary and more fitted to high school show choirs, not the adults with whom I'm working. So, the book wasn't much use to me.3 of 3 people found the following review helpful. Good info, but a little short on details.By CustomerThis book gave me a ton of different ways to get my students onto the risers... which, in my mind, isn't really choreography! At the end of the day, I still had to make up the moves for my winter program from scratch. This really seemed to dwell more on placement on the risers than actual movement. Seems due for an update, John Jacobson!0 of 0 people found the following review helpful. Four StarsBy Michael S. LoPrestiHoped there were more individual moves, but very helpful.

Movement enhances even the simplest of musical settings. It can bring energy to a dynamic show choir number or simple elegance to a beautiful concert piece without your choir ever leaving the risers! John Jacobson's ideas for staging and choreography on choral risers have been compiled in this easy-to-use resource for the beginning or veteran choral director. Covering basic formations, visual effects, and simple gestures that enhance the lyrics, this practical guide will help you incorporate all kinds of staging into your performance. Watch the companion video for the complete visual effect. Purchase the Book/Video Pak for even greater value! Available: Book, Video, Book/Video Pak. For all ages.
