Wolfgang Schumacher Thompson : Judith and Hysteria: Two performance pieces/plays before purchasing it in order to gage whether or not it would be worth my time, and all praised Judith and Hysteria: Two performance pieces/plays:

Two performance pieces/plays about dramatic life, living on the edge of history, art and love. These pieces will bring you to the edge of your seat with constant, organic life.

About the Author Wolfgang Schumacher Thompson has written librettos for modern opera, essays on literature, arts, music, and architecture, plays and text for live performance and film screenplays. He has directed and choreographed for theater, modern dance, and opera productions.
