By Blue Star Mom I absolutely love Jumbles! I would love to see these puzzles published in a digest size book, which would make it much easier to carry. Please offer it in a much smaller and lighter book form.

Presenting an added challenge to the popular original, these BrainBuster puzzles take on the word scramble of Jumble

and incorporate fun trivia that could help or hinder finding the words to answer the puzzle. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with clues, and one letter from each word is used to form the answer to the puzzle.
