Tribune Media Services : Jumble Brainbusters Junior II before purchasing it in order to gage whether or not it would be worth my time, and all praised Jumble Brainbusters Junior II:

0 of 0 people found the following review helpful. Great Book!By Otis BradleyI bought this for my 6 year old. She loves it! She takes it in her backpack to school to work on in the bus line! Alot of the puzzles are just at her level. Some of them are a little harder because they have to do with capitals or cities that she is not familiar with. I also bought one for my 11 year old. Jumble Brain buster Junior I and II are great.0 of 0 people found the following review helpful. Jumble Brainbusters Junior Book IIBy MARIANNE WYATTI HAVE REALLY ENJOYED BOOK I AND BOOK II OF JUNIOR BRAINBUSTERS. THERE ARE HOURS OF ENJOYMENT. THE SCRAMBLED WORDS ARE OF EVERYDAY WORDS THAT EVERYONE KNOWS, PLUS THEY GIVE YOU CLUES TO GO BY. IT IS A BIG BOOK, WITH LARGE PRINT. IT SEEMS TO BE FOR SMART KIDS, BUT I'M 65 YEARS OLD, AND I LOVE IT. I SURE HOPE THEY COME OUT WITH BOOK III. THE BOOKS FOR ADULTS, ARE SOMETIMES

OVER MY HEAD.STRONGLY RECOMMEND IT.

Unlike most puzzle books, each step in solving a BrainBuster puzzle is educational. Parents can spark their child's imagination with puzzles covering geography, history, science, math, language, and more! And because children can solve these puzzles on the go, it's a creative way to keep them occupied while traveling.
