**Tribune Media Services : Jumble Jamboree (Jumbles)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jumble Jamboree (Jumbles):

The book has 180 puzzles with a couple levels of difficulty. The book is about the size of a large coloring book and has larger print (which I prefer). Great for the jumble puzzle lover.

Providing hours of entertainment, the one-of-a-kind word puzzle is collected together with fresh challenges in this continuation of the classic series. For more than 40 years, millions of newspaper readers have delighted in solving

Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
