I like that they lie flat due to the spiral binding and that if she gets stumped, the answers are in the back. I've ordered every jumbo print crossword books that offers, so PLEASE make more before she runs out!!!! 0 of 0 people found the following review helpful. Great purchase! By Wally This is a little more difficult than previous editions, but I love it! 0 of 0 people found the following review helpful. Five Stars By Linda L. Love this series.

These 125 crosswords are small, fun, and extremely doable but the print is nice and large so they're easy to read, too. Even the numbers on the top-notch clues are giant! Solvers who want to challenge their brains and not their eyes will find this jumbo collection just right.
