Tim Just : Just Law: Common-sense answers to frequently asked questions on chess rules, regulations, and policy from players, tournament directors, and organizers before purchasing it in order to gage whether or not it

would be worth my time, and all praised Just Law: Common-sense answers to frequently asked questions on chess rules, regulations, and policy from players, tournament directors, and organizers:

2 of 2 people found the following review helpful. Interesting information for every chess player. By Woodpusher Very interesting comments on questions and problems that relate to chess and, especially, chess tournaments. It is written by someone who has the experience and knowledge to correctly answer the questions. I read and enjoyed every page of this book. 2 of 2 people found the following review helpful. Just Law is a must have book for US Chess tournament directors. By Customer I love this book. Every US Chess TD in the country should own this book. Tim explains rules in a way that can not be found in the rule book, and he edited the rule book. His common sense approach to explaining chess rules and additional tidbits can not be found anywhere else! Bill Broich, NTD, IA0 of 0 people found the following review helpful. Excellent book for tournament chess players. By Eric Martin Excellent book for tournament chess players. Covers all the rules in a much easier way to search than the official rules book. Some dry humor too, which isn't often found in rule books.

Ever been confused by the division of a tournament prize fund? Wonder how to fix an incorrectly set clock? How can players file a complaint? Can someone explain official and unofficial ratings? What's the secret to dealing with chess lawyers? Is there a trick tournaments directors can use to start games on time? How do organizers learn to construct prize funds, rent space, hire staff, and advertise? Puzzled by scholastic chess tournaments? Get the Just Law scoop on the most popular chess tournament questions from players, tournament directors and organizers. In the books QA format, Tim Just guides you through a wide range of tournament topics, including details about notation, draws, byes, clocks, prizes, prize funds, ratings, making claims, playing sites, time controls, pairings, tournament management, tournament creation, scholastic chess mysteries, and even more. Just Law's bonus material includes a list of rulebook Successful Player Habits and the Just Law Jargon list of common US Chess terms. Tim's expert replies come from his stints as the US Chess rulebook editor for both the 5th and 6th editions. Then there are his many years as a National Tournament Director, tournament organizer, US Chess Delegate, and member of both the US Chess rules committee plus the US Chess tournament director certification committee.

About the Author Tim Just is a National Tournament Director and the chief editor of both the fifth and sixth editions of the Official Rules of Chess. He is the co-author of My Opponent Is Eating a Doughnut (available from and US Chess as a paperback and from as an e-book). He is the longtime chair of the Tournament Director Certification Committee, current vice-chair of the TDCC, and a longtime Rules Committee member. His byline has appeared on TD Corner and Rulebook Tactics columns. His work has appeared in Chess Life. He facilitates both rules and tournament director workshops. He has performed countless stints as a staff member or chief TD at national, state, and local scholastic and adult tournaments. He is a longtime US Chess Delegate and recipient of the US Chess Outstanding Career Achievement, US Chess Tournament Director of the Year, and US Chess Committee of the Year awards.
