Speedy Publishing Books : Just Relax Crosswords: Crossword Puzzles For Adults before purchasing it in order to gage whether or not it would be worth my time, and all praised Just Relax Crosswords: Crossword Puzzles For Adults:

3 of 3 people found the following review helpful. Good Puzzles, But My Writing Arm Hides the CluesBy Susannah's WoodThis is a neat little collection of forty puzzles. The font and grids are large enough for aging eyes, but the book itself is comfortably compact and light weight.The clues are challenging, although some of the allusions went over my

head, and a few are painfully obvious, sort of like the "stupid answers" category on Jeopardy. Still, I enjoyed the puzzles, and I knew enough of the "trivia" answers to be proud of myself. My only wish (and this applies to the entire industry) is that, for the larger print editions requiring two pages for each puzzle, the printers would place the grid on the recto (right side), and the clues on the verso (left side). Since most of us are right-handed, such a layout would make for much less in the way of forearm lifting to see the clues. 2 of 2 people found the following review helpful. Five Stars By Annorder these for my son as a gift he likes them a lot 0 of 0 people found the following review helpful. Save Your Moola By Carlotta Idaho I am tossing this poorly written, anything but relaxing book. I question the type of person who wrote it and really wonder where the logic of the editor was hiding. The clues don't make sense!

Kick off your shoes and relax with a book of crossword puzzles. The best thing about crossword puzzles is that they're abundant and they're cost-effective. They are effective stress soothers and brain enhancers, depending on what use you have for them. It is advisable that you answer one crossword puzzle per day to maximize its benefits.
