Curiosities." I enjoyed the first two very much. Pam does not disappoint in this book either, it's right up to her wonderful standards. She shares the most interesting things about Kansas, the quirky and fun, the inspiring and interesting. She does it with great information and humor. I enjoy her style of writing very much. I would not only buy this again, but will give it as gifts.0 of 0 people found the following review helpful. Good look of KansasBy Shaun ReevesFrom on Kansan to another or even a traveler that maybe traveling through the great state of Kansas this is the book that will tell you everything worth site seeing. There was several places I had never heard of and want to visit after reading this book.0 of 0 people found the following review helpful. Five StarsBy Warren Bainterlike it
