By Customer I love this book! It's huge, colorful, and a great addition to my coffee table. I love Kate Spade, but I also love that this book is not just Kate Spade showing off their stuff. It truly is a visual collection of "things we love," not an advertisement for Kate Spade, but you can definitely see their inspiration from this book. Every time I flip through it, I see something new! 3 of 3 people found the following review helpful. Beautiful! By don johnson If you love buying or just looking at beautiful items, you will love this book. Great on a coffee table or any room you want to add color. The book is very pretty without the book cover.
