Thomas Collins : Keno Winner: A Guide to Winning at Video Keno before purchasing it in order to gage whether or not it would be worth my time, and all praised Keno Winner: A Guide to Winning at Video Keno:

2 of 2 people found the following review helpful. Spend \$14 to find out how to win much more is worth it!!By J. B. BaxterThis book on how to win at Keno was a bit helpful although I have been doing most of what they recommend. It

is an easy read and can be done in an hour or so. It was interesting that they compared payoffs from the different makes of gaming machines and recommended staying away from any machine that has a payoff for getting 'no numbers'! I have the best luck playing nine numbers and have won some nice payoffs in the past. Their recommendation is also for 4 and 7 numbers. It's worth the price!4 of 4 people found the following review helpful. Good BookBy Eddie HallI found this book very helpful. It has the odds for various numbers picked, plus the payouts for the numbers. You will find the book very informative. It gives you strategies plus helps you with the machine types and brands. I do recommend this for beginners and regular players. I have hot numerous 5 out of 5 picks several 6 out of 6, plus my last visit I hit 7 out of 7 for 1050 dollars. That visit I left with 2000 dollars. Not bad. Great book for the price.1 of 1 people found the following review helpful. A believer!By T.INk StudiosWell written for anyone with or without experience to understand. I tried what I learn a couple days after reading book cover to cover. (easy read). And I won 6 out of 9 hits in 10 mins for a \$35 win on a nickle machine. More than i ever won in keno in all these years on my own. (So happy!! I know a big win is in my near future!All the best-L. Taylor

Tom Collins known as "The King of Video Keno" has authored a quick and easy guide to winning at Video Keno.Tom, a 15 year author of technical and "how-to" manuals, has written an easy to understand guide that is short and to the point. This is a one of a kind source of knowledge you should read before you drop one more coin into a Video Keno machine.Keno Winner: A Guide to Winning at Video Keno covers essential winning topics such as: Identifying trends and groups of numbers to help you win more often. Using the "seven number payoff" to identify "high pay machines" and avoid "low pay machines." Avoiding Video Keno machines that are "scattering" numbers; making you a sure loser. Taking advantage of "Vertical or Horizontal Blocking" video Keno machines, dramatically increasing your chances of winning.Keno Winner: A Guide to Winning at Video Keno is an easy to read guide that will show you how to become a winner of some of the largest jackpots the casino has to offer.
