Evelyn B. Christensen : Kentucky Puzzles:: Bluegrass Brainteasers for Ages 6 to 106 before purchasing it in order to gage whether or not it would be worth my time, and all praised Kentucky Puzzles:: Bluegrass Brainteasers for Ages 6 to 106:

Do you know the state flower or the state motto? Which presidents lived in Kentucky? Can you name two Kentucky universities that have won national basketball championships? Grab a pencil and put on your thinking cap--you'll need both to get through these Bluegrass brainteasers. Wind your way through mazes, word games and math mysteries, and enjoy a different kind of puzzle on every page with difficulty levels from easy to complex.
