BradyGames : Kingdom Hearts 3D: Dream Drop Distance Signature Series Guide (Bradygames Signature Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kingdom Hearts 3D: Dream Drop Distance Signature Series Guide (Bradygames Signature Guides):

2 of 2 people found the following review helpful. Good Guide, But could be a LOT better - Missing some, what I feel is, Important Information! By Suzanne Carforal'm a collector of Video game strategy guides - I don't often use them, but this time I decided to use this guide to find some of the treasures and help me fully understand the Ability Link board. The treasure map sections were great, but the section on Dream Eaters was utterly LACKING - they tell you nothing about what the different depositions do, how to achieve these depositions, and how to fully finish each Dream Eaters Ability Link board! Some Dream Eaters have secret routes that can only be opened by making them a certain

deposition - a very important piece of information I feel should have been included in the guide - not something I should have to search online for!. As a collector of Strategy Guides, it's nice to have another Kingdom Hearts one on the shelf (Now I need KH:1, KH: Chain of Memories, 358/2 Days, Birth By Sleep, and Coded [Or re:coded - whichever they made one for if they did, lol] - yes, I know, I'm missing a LOT in the KH Department - I do have the limited edition copy of KH:II Tho! Good guide if you need it to find some treasures that are hard to locate, and if you want a step-by-step guide for each world, but the game is pretty straight forward, and I only had to use it a couple times to find some treasures - the rest I found on my own. Purchase if you want to add it to your collection, if you're OCD like me, but this is one guide I would pass on personally if you want it JUST for information. I give it a 3/5 just because most Brady games square-enix guides go up in value over time, so it's a good one to have for a collector. For information purposes - 2.5/5. 1 of 1 people found the following review helpful. Mediocre Guide By frank The biggest flaw this guide has is that its missing a lot of the end game content, like hidden dream eater abilities and such, as well as how to get certain moods for dream eaters. Why they would leave this crucial content out I have no idea. I had to go on to gamefaqs to find out. Most everything else in the guide is common sense.. 0 of 0 people found the following review helpful. Great but. By Dominique Rochon Honestly I was expecting this guide to be just as thorough as The Brandy Games Kingdom Hearts II Guide. It told you the location of all the heartless and Nobodies which items they dropped at which percentage rate. The Dream Drop guide helps with bosses, the walkthrough, key blades, etc. Basically, everything except for where to find some of the dream pieces. All it tells you is the cost of them at the moogles shop but there are some of them that are never available in the shop. The Dreameater guide tells you the ingredients to make all the spirits, but still doesn't tell you which dream pieces they drop. So i'm assuming that whatever dream pieces form the spirits the corresponding nightmare drops those same pieces. All and all its a very good guide, its just I feel as though I need to use other sources to get some more of my questions answered. As I said before this guide should have been more thorough.

BradyGames Kingdom Hearts 3D: Dream Drop Distance Signature Series Strategy Guide includes the following: Two Heroes Questing for Keyblade Mastery King Mickey and Yen Sid prepare for an impending threat by putting Sora and Riku through the Mark of Mastery exam. They are sent into the Sleeping Worlds, where they face new enemies and make new friends in unfamiliar worlds. If they can successfully unlock seven Sleeping Keyholes and return to their world, they will retrieve a great power and be deemed true Keyblade Masters. Complete Walkthrough - Follow this guide to gain knowledge about each Sleeping World, the characters within them, Flowmotion tricks for enemies in specific areas, and tips to achieve 100% completion. Dream Eater Bestiary - Everything you need to know about fighting Nightmares and creating, collecting, and training powerful Spirits to aid you in combat. Comprehensive Appendices - Special information and statistics about Command Attacks, spells, Keyblades, important items, and more! Detailed Maps - Easy-to-use world and area maps for each characters walkthrough give you the locations of pertinent items, challenges, important events, and Link Portals.
