If you are appalled by the white supremacist in the White House, you'll understand why. The Donald reveals his thoughts by denigration of others, self aggrandizing, and the revelations of cherished fabrications, such as his certainty that President Obama's birth certificate was fake.These Tweets draw a clear picture of the real fake. I'm no admirer of The Donald, but I needed this book to see him more clearly. Easy puzzles. Easy self-portraits of The Donald.1 of 1 people found the following review helpful. you will LOVE this bookBy AnitaIf you are a Trump fan..you will LOVE this book!0 of 0 people found the following review helpful.
