The quotes are very quirky and the step-by-step example on how to do a cryptogram is perfect for a novice player. The layout inside is a great size. There are two cryptograms per page, with large easy to ready letters. I've always liked puzzle books books but many were cramped and small. This is an excellent size. If you like cryptograms or even if this is your first try at this sort of game I would recommend it.1 of 1 people found the following review helpful. The quotes are from persons of unknown origins. The ...By Daniel A. RufoThe quotes are from persons of unknown origins. The quotes are very uninteresting.I will try to remember notto get cryptos fro, this author again.0 of 0 people found the following review helpful. Great idea!By Virginia FrenchBought for my 83 year old Aunt for her birthday! She does cryptograms daily and I wanted to

get her something that she enjoys doing regularly. I'm very happy with the purchase and she loved receiving them.
