KnightMare Chess - The game continuesBy PatrickThis is a great game for anyone with a basic understanding of Chess to people who are long time players. The random aspect of the cards helps to even out the playing field and add some excitement to the game.Hope they come out with s 3rd Set.

More Chaos on the Chessboard You've Never Played Chess Like This! Unless, of course, you have the original Knightmare Chess! Here are 80 more cards to wake up your chess game - 78 brand-new ones, illustrated by Rogrio Viela, and two blanks to let you add your own ideas. You will need a chess set to play.
