Steve Jackson : Knightmare Chess: The Original Game of Chaos on the Chessboard : Cards before purchasing it in order to gage whether or not it would be worth my time, and all praised Knightmare Chess: The Original Game of Chaos on the Chessboard : Cards:

0 of 0 people found the following review helpful. Chess is a nightmare.By CustomerI love this game especially when I coupled with the 2nd deck.0 of 0 people found the following review helpful. fun addition to chessBy L. AndersonIt was in great condition and arrived quickly. It was a birthday present for my 12 year old and he loved it.3 of 5 people found the following review helpful. "Regular" Chess will never be the same!By M. ElmoreMy 11-year-old loves this game! He's been playing "regular" chess for a couple of years, but when an adult friend taught him to play Nightmare Chess he enjoyed the game so much that he spent his Christmas money to buy it for himself. He and his friend play several times a week. The game is different enough from chess that they still enjoy a "normal" game, once in a while, as well. Thanks for expanding the use of the chess board!

Chess will never be the same! Nightmare Chess is chess played with cards - and what cards! Each card breaks the rules in a wild and unpredictable way, giving the game more twists and turns than a roller coaster. A translation of the popular French game *Tempete sur l'Echequier* by Pierre Clequin and Bruno Faidutti, Nightmare Chess has 80 big, beautiful cards - each with an individual color painting by Brazilian artist Rogerio Vilela.
