From Voyager Press : **Knitting Yarns and Spinning Tales: A Knitter's Stash of Wit and Wisdom** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knitting Yarns and Spinning Tales: A Knitter's Stash of Wit and Wisdom:

2 of 2 people found the following review helpful. Far better than expected By Laura Pallach Alvarez I usually like to read more about anything I do. I bought this book to be more in mood of knitting. It's awesome. There are short

articles about knitting in the everyday life. Some made me laugh, others cry and others were rather boring, but the important part is that they are all written by real knitters that made me feel like part of a much bigger world, and not being alone any more while I'm knitting at home. Thanks. Since I began reading this book knitting hasn't been the same, I do belong to a big community of knitters around the world. 0 of 0 people found the following review helpful. lovely read By tannya I did enjoy very much reading this book and the small stories it shares. some where tedious, some where funny, some where very helpfull because it helps me search and find new items for my knitting. I really recomended to people who like the knit and crochet because it makes you fill in the community of knitting. 0 of 0 people found the following review helpful. A wonderful collection of knitting stories By maggie k A wonderful collection of knitting stories. One chapter is from my second favorite knitter, Meg Swansen. Her mom , Elizabeth Zimmerman is my all time favorite. I would say she had a good teacher.

Knitting Yarns and Spinning Tales brings to life the unique and universal experiences of knitters from a variety of backgrounds. This exceptional collection combines lighthearted essays with more philosophical pieces from authors and experts such as Meg Swansen, Perri Klass, Lily Chin, Teva Durham, Lela Nargi, Susan Gordon Lydon, Suzyn Jackson, Amy Singer, Greta Cunningham, Laura Billings, Kay Dorn, Betty Christiansen, and Jennifer Hansen, who put down their needles long enough to share their thoughts and musings about the popular pastime. In these entertaining yarns, the authors provide insight into the warmth and enjoyment of knitting and crocheting. Join one writer as she shares a poignant Sunday afternoon in March shearing sheep with her father; travel to Sant Arsenio, Italy, where women gather on their door steps to knit, crochet, embroider, and chat; laugh at one womans memories of learning to knit in an uncomfortable classroom chair beside a World War II vet named Max; and smile at the essays that delve into the psyche of the knitter. If you live to knit, enjoy the companionship of other knitters, or appreciate the intricate handiwork of a handmade sweater, Knitting Yarns and Spinning Tales is a must-read!
