It's difficult to pick my favorite charts because they are all so good but "Should I go to law school or start a rock band," "Am I too old to be and this party," and "Should I listen to the voices in my head," are among my favorites. Sequel please!!0 of 0 people found the following review helpful. If you drop it, catch it before it hits the floor. Funny life choices.By T WildsStill trying to figure out the how many second rule if you drop something on the floor. And that includes roadkill in third world countries.Funny and entertaining.0 of 0 people found the following review helpful. A Unique Gift for Grads (or Whoever)By Shel GattoI gave this as a graduation gift for a relative. The design was cool and the flow charts were

fun. Would order again!

Should I change the channel? Can I eat food off the floor? Our lives are composed of stupid decisions one after the other, day after day. Use this book's handy flowcharts to make your next irrelevant choice with pseudoscientific confidence! Make the right dumb decision the first time every time Perfect book gift for anyone who faces meaningless judgment calls Paperback; 7 x 7 inches, 96 pages; 2013 PubWest Book Design Award winner for cover design
