From Ingramcontent : Knock Outs!: By Elias Chatzoudis before purchasing it in order to gage whether or not it would be worth my time, and all praised Knock Outs!: By Elias Chatzoudis:

0 of 0 people found the following review helpful. great book. Elias is worthBy Welbourne F. Bronaugh IIIgreat book. Elias is worth it0 of 2 people found the following review helpful. Love the artBy ThibouAlready owned 3 of his other books, had to get this one. Love the art style

There are very few artists who can effectively blend "cartoon" and "realism" and get to "drop-dead sexy," but illustrator extraordinaire Elias Chatzoudis does this magic trick every time! His ladies are luscious, outrageous, and literally the stuff that dreams are made of! This latest gallery of VERY good girl art is overstuffed with devilishly

delightful images! "Knock Outs" every single last one of them!
