Vassilios Kotronias : **Kotronias on the King's Indian: Mar del Plata I** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kotronias on the King's Indian: Mar del Plata I:

5 of 9 people found the following review helpful. Not for beginners By William Incredible detail and depth of analysis paired with a conversational style make this title a winner. Look forward to hard work studying this defense! 2 of 5 people found the following review helpful. Revelatory By Leon Cowen With depth and insight punctuated by exclamatory moves Kotronias reveals the beauty of the KID.

The Kings Indian Defense is one of Blacks most dynamic and aggressive responses to 1.d4. A favourite weapon of

both Fischer and Kasparov, it remains a popular choice at all levels of play. In this, the second volume of the Kotronias on the Kings Indian series, grandmaster Vassilios Kotronias turns his attention to the main line of the famous Mar del Plata variation, which arises after the opening moves 1.d4 Nf6 2.c4 g6 3.Nc3 Bg7 4.e4 d6 5.Nf3 00 6.Be2 e5 7.00 Nc6 8.d5 Ne7 9.Ne1. This leads to some of the most complicated and theoretically challenging positions in the Kings Indian, but Kotronias provides a world-class repertoire for Black, including a wealth of original ideas and analysis. As well as providing detailed analysis, the author also shares his considerable knowledge of typical middlegame themes, both positional and tactical. A special selection of test positions is provided, enabling the reader to sharpen his tactical skills and increase his middlegame understanding.

About the Author Vassilios Kotronias became Greek Champion for the tenth time in December 2014. He is feared for his profound opening preparation, and is one of the worlds foremost experts on the Kings Indian Defense.
