Vassilios Kotronias : Kotronias on the King's Indian: Mar del Plata II before purchasing it in order to gage whether or not it would be worth my time, and all praised Kotronias on the King's Indian: Mar del Plata II:

2 of 2 people found the following review helpful. Excellent and difficultBy WilliamThis series goes from strength to strength. However, with nearly a thousand pages read many variations (four pawns attack) have not even been covered. Be ready to make a hobby out of this defense!

The Kings Indian Defense is one of Blacks most dynamic and aggressive responses to 1.d4. A favourite weapon of both Fischer and Kasparov, it remains a popular choice at all levels of play.In this, the third volume of the Kotronias on the Kings Indian series, grandmaster Vassilios Kotronias presents the second part of his world-class repertoire

against the famous Mar del Plata variation, starting from the position after 1.d4 Nf6 2.c4 g6 3.Nc3 Bg7 4.e4 d6 5.Nf3 00 6.Be2 e5 7.00 Nc6 8.d5 Ne7, with the focus on 9.b4, 9.Nd2 and all other sensible alternatives to 9.Ne1. Once again, Kotronias provides a turbo-charged repertoire for Black, with a plethora of novelties and original analysis. As well as providing detailed analysis, the author also shares his considerable knowledge of typical middlegame themes, both positional and tactical. A special selection of test positions is provided, enabling the reader to sharpen his tactical skills and increase his middlegame understanding.

About the Author Vassilios Kotronias became Greek Champion for the tenth time in December 2014. He is feared for his profound opening preparation, and is one of the worlds foremost experts on the Kings Indian Defense.
