The 46th edition of the leading price guide in antiques continues to feature actual prices in 700 categories and more

than 2,500 full-color photographs. Kovels' Antiques and Collectibles Price Guide is the most thorough, colorful, and complete price guide available, from the most trusted, well-known name writing on the subject today. The book features up-to-the-minute, well-organized, and wide-ranging information, including more tips, marks, logos, and photographs than any other competitive title. Unlike other guides, whose focus is primarily English or high-priced items, Kovels' covers all American and international items. The book is organized by the categories most sought after by collectors, including Depression Glass, Dolls, Jewelry, Furniture, Porcelain, and Sports Memorabilia. Indexes and cross-references make this a user-friendly reference, and expert comments throughout empower readers to buy, sell, and collect with confidence. Also included is an exclusive report on the previous year's record-setting prices.
