A Plus for Senior GamersBy BobI'm a senior citizen who just got started to play video games and I'm really enjoying them (for seniors they help to keep the mind sharp and are great for hand eye coordination). While most games are intuitive if you just employ some critical thinking and reasoning, sometimes you get stuck and here's where these guides come in handy. I hate to give up on a game and want to see it all the way through, so I recommend these guides, but resist in taking the easy way out and only use them when

Now you can answer questions correctly; as well as, find all the hidden items within the game. A must have for anyone who plays this game.0 of 0 people found the following review helpful. Great book!!!!By Brett Colbert IIThis guide is very helpful all the way through the game, especially with the interview questions. The reason why I buy these game guides is because not only are they helpful but they also give you tricks in order to pass the mission faster.
