From Brand: University of Illinois Press : La Voz Latina: Contemporary Plays and Performance Pieces by Latinas before purchasing it in order to gage whether or not it would be worth my time, and all praised La Voz Latina: Contemporary Plays and Performance Pieces by Latinas:

Surveying the Latina theatre movement in the United States since the 1980s, *La Voz Latina* brings together contemporary plays and performance pieces by innovative Latina playwrights. This rich collection of varying styles, forms, themes, and genres includes work by Yareli Arizmendi, Josefina Bez, The Colorado Sisters, Migdalia Cruz, Evelina Fernández, Cherre Moraga, Carmen Pelaez, Carmen Rivera, Celia H. Rodríguez, Diane Rodríguez, and Milcha Sanchez-Scott, as well as commentary by Kathy Perkins and Caridad Svich on the present state of Latinas in theatre roles.

"Apart from the performance pieces themselves, the artists' comments about the circumstances under which the works were created makes the collection a very valuable tool for documenting Latina cultural production since the 1980s."--
Tamara L. Underiner, author of *Contemporary Theatre in Mayan Mexico: Death-Defying Acts*
