I'm still looking for a good crossword puzzle book for adult beginners that isn't too baby-ish and that doesn't have so many obscure answers. Probably 25-30% of the puzzles weren't what I would have included in a book title "Easy Monday" crosswords. But on the other hand, I guess that means 70-75% were okay. 0 of 0 people found the following review helpful. Is As Promised By Rhoda Cataleta Big blocks, good clues challenging puzzles. 0 of 0 people found the following review helpful. Great! By S. W. Cornell Perfect gift for my aunt who loves crossword puzzles.

Easy crossword puzzles should gently challenge the mind, not the eyes. With these large-print crosswords from esteemed puzzle editor Peter Gordon, everything is clearly visible, from the letters in the grid to the clues themselves. We can't guarantee you will solve every puzzle, but at least you'll be able to see what you've been missing!
