**From Puzzlewright : Large Print KenKen** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Large Print KenKen:

0 of 0 people found the following review helpful. Five Stars By Customer basically my favorite thing to do in and out of the math classroom. 2 of 2 people found the following review helpful. love the spiral binding By Willard Klontz Should clearly state that the size of the puzzles are only 5x5 and 6x6. Otherwise, love the spiral binding. 1 of 1 people found the following review helpful. Three Stars By betty Rather easy. Not challenging. Big type is great.

Hard on the Brain, Easy on the Eyes! Challenging, baffling, and absorbing, these KenKen puzzles are easy to read and solve in large-size print. You'll need to use basic math—addition, subtraction, multiplication, and division—while also exercising your logic and problem-solving skills. The more you think ahead to your next step and consider all the possible outcomes, the better you'll get!
