7 of 7 people found the following review helpful. Terrific Print By Mary Ruth Sadler I was disappointed that there were so many math logic puzzles and that the word logic puzzles were all the same level. The large print was excellent and I will order more if there are new editions. It was wonderful to be able to see the grids clearly. 8 of 8 people found the following review helpful. One Star By Nancy L Price There are no answers to the logic graph puzzles! 3 of 3 people found the following review helpful. If you love logic puzzles, you'll love this book! By Cat Lady I enjoy doing the puzzles in this book because they are all at different levels of difficulty and very entertaining. I also like how the book is in a spiral format which makes it easy to use when I travel.

Packed with over one hundred easy-to-read puzzles, these compilations will test your powers of observation and skill and exercise the mind.
