**Victor Mollo : Last Call in the Menagerie** before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Call in the Menagerie:

0 of 0 people found the following review helpful. The last book in the Bridge in the Menagerie seriesBy John ShannonhouseFor a dedicated bridge player, the "Bridge in the Menagerie" books are a delight. The characters are funny and interesting, and the hands are all masterpieces of card play technique. You will want to set up the hands and follow through the play to see what is actually going on. All by itself this will improve your game, as well as providing

loads of fun.If you love bridge, buy this book!0 of 0 people found the following review helpful. Five StarsBy Jon Matthew FarberSolid Mollo0 of 0 people found the following review helpful. Five StarsBy Gyulai AndrsThe book arrived in time with the expected quality.ThanksGyulai Andrs

Just about every bridge player over forty has read Victor Mollo's *Bridge in the Menagerie*, a book that is on any list of the all-time top ten on the game. Towards the end of his life, Mollo continued to write stories about the same well-loved characters (Hideous Hog, Rueful Rabbit, Oscar the Owl and the rest), but they appeared in various magazines around the world, and if you weren't a subscriber, you didn't get to read them. This is the fourth and final collection of these lost Menagerie gems, collected for the first time in book form. Previous titles in this series: *Bridge in the Menagerie*; *The Hog Takes To The Precision*; *Diamonds are the Hog's Best Friend*; *Swings and Arrows*.

About the AuthorThe late Victor Mollo was one of the best-loved authors ever to write about bridge. Based in London, he wrote many excellent how-to books on the game (including the classic *Card Play Technique*, with Nico Gardener) but it is as a humorist that he is best remembered.
